

The University of Missouri School of Medicine is seeking a clinician researcher for a tenure track faculty position at the rank of Assistant or Associate Professor; however outstanding applicants at full professor will be considered. The position will be in the Departments of Child Health and of Nutrition and Exercise Physiology. Applicants must have an M.D. or D.O. degree and be board certified in any pediatric subspecialty. Applicants with an additional degree of PhD or RD are especially welcomed! The position will be for 25% clinical time and will have 75% protected research time. The successful candidate will have a demonstrated track record of research with an interest area of childhood nutrition. Responsibilities will also include teaching/advising Nutritional Sciences graduate students and Child Health residents and medical students.

You may direct your inquiries, letters of reference and CV to: Christopher Hardin, PhD, Chairman, Department of Nutrition & Exercise Physiology, 217 Gwynn Hall, University of Missouri, Columbia, MO 65211. Email applications preferred ([e-mail: umchesnsjobs@missouri.edu](mailto:umchesnsjobs@missouri.edu)). Initial questions related to the clinical aspects of the position may be directed to Timothy Fete, MD, MPH, Chairman, Department of Child Health: 573 882 6882; fetet@health.missouri.edu.

Active review of applications will begin October 15th and the search will continue until the position is filled.
